OFFICE OF LEGISLATIVE COUNSEL

Monday - 16 November 1964

1. (Unclassified - GLC) Talked with Mr. Naftalin, Chief Counsel of the House Select Committee on Government Research, regarding the Committee's questionnaire on security clearances. Mr. Naftalin said that as soon as he had an opportunity to review a draft of the Committee report on this he would be happy to make a copy available to us so that we might determine whether any information could be included regarding CIA security clearances. I advised Mr. Naftalin I was not optimistic that we could make a contribution to this study but we would be willing to take a second look at it. He is to contact us when the draft is available.

2. (Internal Use Only - JGO) In response to the request of Friday, I called Mr. Frederick Herlbut, Assistant to Senator Hruska, and advised that we did not have available an unclassified summary of the counterinsurgency situation in Central and South America. I suggested that such a summary might be available from I&R, State Department, or from USIA.

3. (Unclassified - JGO) Made an appointment for 10:15 a.m. Tuesday, for a personnel interview for [REDACTED]
